24 Med Kits Donation to National Road Traffic Police

Expanding on our earlier donation of AEDs to the Northern Attica National Road Traffic Police, Navarino's CSR team addressed an additional need for advanced first aid kits in police vehicles. In collaboration with specialized advisors, we provided two types of certified kits ("Bleeding" and "Splint Pro" kits), each equipped with 25 essential medical care items.

Navarino CSR Activities in Cyprus

In the second half of 2024, our Cyprus office carried out several CSR initiatives aimed at benefiting local communities:

Enhancing the Palourriotissa School Podcast Initiative

Navarino supported the "Youth Talks" podcast team at Palourriotissa School, which discusses topics such as sports, science, and culture. By providing professional-grade microphones, podcasting bundles, and other essential equipment, we enabled the team to improve their production quality & extend their reach across Cyprus and beyond.

AED Donation to the Cyprus Lifesaving Federation

In alignment with our longstanding support for the Royal Lifesaving Society (RLSS), Navarino was able to continue this support for lives by the water by offering an AED machine to the Cyprus Lifesaving Federation. This state-of-the-art device has been integrated into their advanced seminars, bolstering their ability to prevent drowning incidents across the region.
